AMERICAN SOCIETY FOR METABOLIC & BARIATRIC SURGERY (ASMBS)

OVERVIEW

- ASMBS is the largest non-profit medical organization in the nation dedicated to metabolic and bariatric surgery; established 1983
- ASMBS Vision: To improve the public health and well being of society by lessening the burden of obesity and obesity-related diseases throughout the world

MISSION & PURPOSE

- To advance the art and science of metabolic and bariatric surgery by continually improving the quality and safety of care and treatment of people with obesity and related diseases by:
 - Advancing the science and understanding of metabolic surgery
 - Fostering communication between health professionals on obesity and obesity-related conditions
 - Being a recognized authority and resource on metabolic and bariatric surgery
 - Advocating for policy that ensures patient access to high quality prevention and treatment of obesity
 - Being a highly valued specialty society that serves the educational and professional needs of the society's diverse membership

LEADERSHIP

- **President:** Stacy Brethauer, MD, FASMBS, Associate Professor of Surgery, Cleveland Clinic Lerner College of Medicine, Program Director, Bariatric Surgery Fellowship, Cleveland Clinic
- **President-Elect:** Samer Mattar, MD, FASMBS, Professor of Surgery, Oregon Health & Science University
- **Immediate-Past President:** Raul Rosenthal, MD, FASMBS, Chairman of the Department of General Surgery at Cleveland Clinic Florida
- **Secretary/Treasurer:** Eric DeMaria, MD, FASMBS, Surgeon at Bon Secours Maryview Medical Center in Portsmouth and Bon Secours DePaul Medical Center in Norfolk
- ASMBS Executive Director: Georgeann Mallory, RD
